Quick, Safe Way to Remove Hairs

(Toilet Talks)

Keep a little delatone powder on your dressing table and when ugly, hairy growths appear, make a paste with a little of the powder and some water, apply and let remain on the hairy surface or 2 or 3 minutes, then rub off, wash the skin and the hairs have vanished. This treatment is quite harmless and rarely more than one application is required. but to avoid disappointment care should be used to buy the real delatone. - Adv.

Developing State's Wealth.

An important step toward developing the natural resources of Vermont and increasing the wealth and prosperity of the state was taken yesterday in the opening of the Hortonia Power company's new hydro-electric plant at Middlebury. The new plant will have a total capacity of 4,500 horsepower. The Hortonia company, through eight

stations, is now furnishing electric power to factories, quarries and other enter-prises in Chittenden, Addison, Rutland, Windsor and Orange counties.
